Importance: High

Hello Dana, Matt and Sarah,

As promised, here are the compiled final working draft comments on the Gasco pre-RD BOD work plan. Please make any edits in redline. If at all possible we would like to have suggested changes back in 5 business days. So that you don't miss it-relative to how RALs are applied- if you have specific wording notions on comment #43 that would also be particularly useful feedback.

Let me know if you have any questions —and see you next week.

Thank you.
